Dear David:

Once again thanks very much for the evening in London. I thoroughly enjoyed the dinner and the play. Any time Felicity Kendal wants to visit me, you can tell her she is most welcome.

Seriously, I hope you and Ragnhild will be in Washington one of these days soon and that we'll be able to extend a warm welcome to you both.

You can be assured that Roland and the Caversham group took good care of us, and the meetings were as usual fruitful. Clearly we will have to do a large amount of "interfacing" over the next several years as we move into modernization. I am impressed with the way things are moving along at Caversham and look forward to the implementation of your many plans.

Good luck in your new assignment.

Warmest regards,

Director
